# About iLAP Global Education Group

## Our Mission

The iLAP Global Education Group is a UK-based international training organisation committed to developing human capital across the public and private sectors. Our programmes are designed to build practical competence, strategic thinking, and leadership capability in today's dynamic business environment.

### Training Fee

**USD \$2,500** per participant  
per training session

### Duration

**5 days** (Monday–Friday)  
per training session

### Schedule

**1st & 3rd week** of every month, Jan–Dec 2026

# Training Formats & Global Venues

Every iLAP programme is available in three flexible delivery formats, hosted across **17** strategically selected global locations to serve professionals wherever they are.

## Classroom Training

Face-to-face, instructor-led sessions at our international venues. Ideal for deep engagement, peer networking, and hands-on learning experiences.

## Online Training

Live virtual sessions delivered via secure digital platforms. Full interactivity, flexible access, and no travel required — perfect for remote professionals.

## In-House Training

Bespoke programmes delivered at your organisation's premises. Tailored content, confidential environment, and cost-effective for teams of five or more.
